

Great news RCPS Families!

Thanks to a grant that we were fortunate to receive as a school division, we are going to be able to provide many of the school supplies that you will need for the upcoming school year at our elementary and middle schools. The supplies listed below will be delivered to our schools before the beginning of the year and given out to all students. Our high school students will also get a very nice drawstring bag and water bottle for the upcoming school year.

We understand that many of you may have already purchased school supplies, but we hope we have caught many of you before you have done too much back-to-school shopping! We would have loved to send out this message sooner, but we wanted to be sure we had access to these supplies before communicating this great news. Of course, you are still welcome to purchase supplies for your child individually, but we wanted to let you know that this was an option for the upcoming school year.

We look forward to seeing everyone soon and kicking off an exciting new school year!
