**Curriculum Related** student organizations or clubs serve as an extension of the regular school curriculum. Their function is to enhance the participants' educational experience and supplement the course materials, studies, or discussion within the educational program of the schools.

**Non-Curriculum Related/Non-School Sponsored** clubs are student initiated and directed. Under the management of the principal or designee, secondary school student groups or clubs that are non-curriculum related and non-school sponsored may use school facilities in accordance with the Federal Equal Access Act and other applicable law and in accordance with RCPS policy IGDA.
