

## FAMILY P.E. WEEK @ CENTRAL ELEMENTARY October 2-6, 2023

**Dear Central Parents or Guardians,** 

We invite you to come and participate in P.E. class to witness the fun and engaging ways we are helping our students to feel better, work together as a team, reduce anxiety, maintain focus in the classroom, and develop lifelong healthy habits. Please wear comfortable clothes, walking shoes, and bring a water bottle. This event is for the parents or guardians of the student.

- Each student will have a flier that is specific to their P.E. days so please check their communication folder for the days and times.
- Please check in at the office and then report to the gym.
- We cannot accommodate older or younger siblings.

We hope to see you there!

Ms. G & Mr. Brown
